## The Bush mystique

Don't tell **Laura**, but it's girls more her daughter's age who'd like a roll in the hay with **President Bush** than middle-aged women. A market survey by DiMassimo Brand Advertising provided to Whispers finds that women ages 18-25 pick Bush as one of the top-10 guys they'd like to spend a night with. Actually, he was No. 9. His strut is less attractive to women more his age, who pick him 11th.
